

EUROPEAN PRODUCT RANGE 2024

READY TO CHANGE YOUR WORLD.

We are HD Hyundai Construction Equipment Europe and sell to more than 30 countries across Europe, through a network of over 140 dealers. Specialising in excavators, wheel loaders and now articulated dump trucks, we are a division of the global brand that is synonymous with durability and reliability.

Supported by rigorous research and testing, quality and innovation are at the heart of everything we do. And as HD Hyundai Construction Equipment continues to invest heavily in innovative engineering and smart technology, our European customers will continue to benefit from world-class manufacturing with local expertise, into the future.

NEW

HW100A

WHEELED EXCAVATOR

Introducing the HW100A, the new 10-tonne addition to our A-Series range of wheeled excavators.

With a new powerful Hyundai Stage V engine delivering best-in-class fuel efficiency, plus improved hydraulics, 2-piece boom, integrated load sensing and 4-wheel drive, it offers greater productivity in urban construction sites. And with a modern cab featuring a new control cluster and many cutting-edge features, it's also high on comfort. With greater durability, serviceability and low cost of ownership, there's lots of reasons to buy one.

EUROPEAN PRODUCT RANGE 2024

NEW

HW65A

WHEELED EXCAVATOR

The new HW65A is the most compact and agile of our A-Series range of wheeled excavators, offering excellent manoeuvrability in tight urban construction sites.

The 6.5-tonne machine is equipped with our very own Stage V Hyundai engine, which greatly enhances fuel efficiency while optimising performance. With an improved integrated hydraulic system with rotation piping, it is also highly productive. With many other improvements to safety, durability, servicing and operator comfort, the new HW65A is a compact machine with big performance.

EUROPEAN PRODUCT RANGE 2024

WHEELED EXCAVATORS

Aim for greater performance, versatility, comfort, control and safety with our seven new 6 – 23-tonne A-Series machines. Designed for the urban work environment across every application, they feature a new, compact rear design, improved cabin and enhanced controllability. Our A-Series machines comply with EU Stage V emissions regulations while delivering higher performance, better fuel efficiency and superior travel speed on the road.

	HW65A	HW100A	HW140A	HW150A CR	HW160A	HW170A CR	HW210A
Operating weight	6355 kg	10682 kg	15860 kg	17170 kg	18390 kg	18820 kg	22510 kg
Max power	49 kW (66 hp)	75 kW (100 hp)	129 kW (173 hp)	129 kW (173 hp)	129 kW (173 hp)	129 kW (173 hp)	145 kW (195 hp)
Max travel speed	32 km/h	38 km/h	37 km/h	35 km/h	37 km/h	35 km/h	38.4 km/h

Max digging depth	3490 mm	4245 mm	5100 mm	5020 mm	5630 mm	5440 mm	5770 mm

Specs refer to 2-piece boom equipment on all machines except HW65A

SERVICE AND BACKUP

With a network of over 140 dealers across 30 European countries, Hyundai's service and backup is second to none.

From buying your machine with quick and easy financing and insurance, to extended protection products that will protect your Hyundai machine for life. Our service engineers offer the best repair & maintenance service by attending the Hyundai Academy to keep their knowledge up to date.

Our European Parts Distribution Centre is located in Belgium to offer immediate support for dealers and customers, from

receiving orders to picking, packing and shipment. The warehouse houses over 125,000 items and has over 12,000 m² in storage space. When it comes to optimising machine uptime, Hi-MATE, our telematics remote management system gives you access to vital service and diagnostic information anywhere in the world.

If you're looking to finance construction equipment, you can count on Hyundai Finance to provide the best solution.

We offer quick and easy financing, with customised payment plans to suit everyone.

HYUNDAI WARRANTIES

HD Hyundai Construction Equipment offers one of the strongest warranty programmes in the industry, providing you not only with peace of mind but also an added value to your product.

Standard Warranties: Your new machine comes with a 2-year, 3000 hour standard warranty. This protects you from repair costs and offers added value when trading your machine in.

Extended Warranties: For added protection we offer a variety of Extended Warranty Packages to suit your machine and financial preferences. Our programme allows you to cover your machine up

to a total of 5 years or 10,000 operating hours with the choice of covering the full machine or only the main components.

Used Equipment Warranty: Our Hyundai Used Machine Warranty programme protects your used machine from sudden or unforeseen breakdowns that occur out of the initial factory warranty period. We have tailored the programme to your needs with 2 levels of cover: Power covers components such as engine, transmission and hydrostatic pump and Plus, which covers hydraulic pumps, valves and cylinders.

Specifications and design are subject to change without notice. Pictures of HD Hyundai Construction Equipment Europe products may show other than standard equipment.
