SERVICE AND BACKUP

With a network of over 140 dealers across 30 European countries, Hyundai's service and backup is second to none.

From buying your machine with quick and easy financing and insurance, to extended protection products that will protect your Hyundai machine for life. Our service engineers offer the best repair & maintenance service by attending the Hyundai Academy to keep their knowledge up to date.

Our European Parts Distribution Centre is located in Belgium to offer immediate support for dealers and customers, from

receiving orders to picking, packing and shipment. The warehouse houses over 125,000 items and has over 12,000 m² in storage space. When it comes to optimising machine uptime, HI-MATE, our telematics remote management system gives you access to vital service and diagnostic information anywhere in the world.

If you're looking to finance construction equipment, you can count on Hyundai Finance to provide the best solution. We offer quick and easy financing, with customised payment plans to suit everyone.

HYUNDAI WARRANTIES

HD Hyundai Construction Equipment offers one of the strongest warranty programmes in the industry, providing you not only with peace of mind but also an added value to your product.

Standard Warranties: Your new machine comes with a 2-year, 3000 hour standard warranty. This protects you from repair costs and offers added value when trading your machine in.

Extended Warranties: For added protection we offer a variety of Extended Warranty Packages to suit your machine and financial preferences. Our programme allows you to cover your machine up

to a total of 5 years or 10,000 operating hours with the choice of covering the full machine or only the main components.

Used Equipment Warranty: Our Hyundai Used Machine Warranty programme protects your used machine from sudden or unforeseen breakdowns that occur out of the initial factory warranty period. We have tailored the programme to your needs with 2 levels of cover: Power covers components such as engine, transmission and hydrostatic pump and Plus, which covers hydraulic pumps, valves and cylinders.

Specifications and design are subject to change without notice. Pictures of HD Hyundai Construction Equipment Europe products may show other than standard equipment.
